

Installation

"Please contact us directly for an accurate price quote on installations. Our team will be happy to provide you with detailed information and pricing based on your specific requirements. Get in touch with us today to discuss your installation needs and receive a personalized quote."

Important Installation Pricing Information

We're happy to provide our installation services in Gauteng, specifically within a 100KM radius from our address in PTA/JHB. Please note the following installation prices:

- Under-counter and counter-top purifiers: R750.00 (Weekdays) / R950.00 (After Hours, Weekends)
- Whole house or Big Blue purifiers: R 1150.00 (Weekdays) / R1600.00 (After Hours, Weekends)

Please note that prices include VAT at 15%.

Standard Fittings Included

Our standard installation package includes standard fittings, but if you require additional fittings, please contact us for a quote.

Traveling Fees

If you're located further than 100KM from our address, we'll charge a traveling fee of R7 per KM, one way.

Accommodation Fees

If we need to travel to your location and stay overnight for more than 4 hours, an accommodation fee of R1500 per night will be charged. We prioritize quality and thorough testing, so we don't rush jobs.

Get in Touch

If you'd like to schedule an installation or have any questions about our pricing, please don't hesitate to contact us. We'll be happy to assist you with your installation needs.

Thank you for your understanding, and we look forward to working with you!
